

# FamilySearch Center Update

St. George, Utah - September 2020

**Our doors may be closed but our service continues.  
Let us help continue your Family History effort!**

## Join a Class (online/interactive)

We continue to teach our classes online. We have several new courses. They are all conducted online, in an interactive (live) format, using Zoom.

Anyone can join from anywhere with any device that accesses the internet (smart phone included).

The class schedule for the month can be found on the St. George FamilySearch Center website (Wiki) under the link "[Month Class Schedule](#)"

[https://www.familysearch.org/wiki/en/St\\_George\\_Utah\\_FamilySearch\\_Center](https://www.familysearch.org/wiki/en/St_George_Utah_FamilySearch_Center)

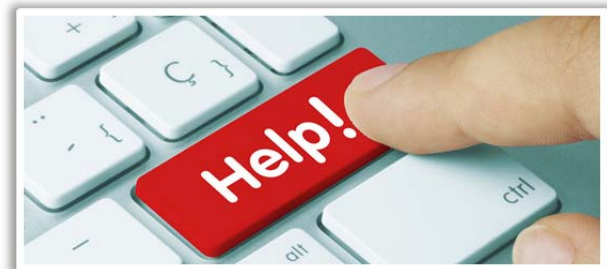

To participate in a class, you will simply need to return the St. George FamilySearch web site (Wiki) at the **appointed date and time** of a class and click on the link "[Join Class](#)".

## Get Individual Help (online)

Tools are now available for our missionaries to help people online, with anything related to Family Search.

To schedule an appointment for online help, call The Center between 9:00 AM & 2:00 PM Monday through Thursday and talk to our receptionist. [\(435\) 673-4591](tel:4356734591).

If you call at any other time you will be invited to leave a call back number and we will return your call at the beginning of the next shift.

### **"CONQUERING FAMILYSEARCH"**

We would like to highlight the addition of a series of classes taught by Elder and Sister Neil Monday and Wednesday evenings at 7:00 PM
